OBJECTIVE

Computer Science student with a strong interest in programming and technology.Eager to apply classroom knowledge in real world projects.Quick learner with basic skills in Python, Java, and web development.Seeking an internship or entry-level role to grow professionally.

EDUCATION

BE Computer Science Engineering - Hindusthan college of Engineering and Technology 2021 - 2025| Coimbatore
CGPA : 8.1

12th - Sai Vidhyalaya, CBSE 2020 - 2021 | Trichy
Percentage 89%

10th - Sai Vidhyalaya,CBSE 2018 - 2019 | Trichy
Percentage 79%

TECHNICAL SKILLS

Key Skills: Python, Java. **Web Development:** HTML, CSS. **Interpersonal Skills:** Teamwork | Problem Solving | Communication | Adaptability | Time Management.

PROJECTS

Twitter Sentiment Analysis:

To analyze public sentiment expressed on Twitter about a specific topic or event by collecting ,processing tweets, classifying them into positive, negative, or neutral sentiments using natural language processing techniques,and deriving insights from the results through data visualization. sept 2023

Online Organ Donation Management System:

To develop an online platform that facilitates efficient registration, management, and matching of organ donors and recipients, aiming to streamline the organ donation process and ensure timely availability of critical health resources Jan 2024

An Effective Deep Learning Algorithm For Mineral Exploration Using Seismic Images:

To design and implement an effective deep learning algorithm for automated mineral exploration by analyzing seismic images, improving the accuracy and efficiency of subsurface mineral detection. Oct 2024

INTERNSHIPS

EMGLITZ TECHNOLOGIES

Java

- Contributed to writing clean, maintainable, and well-documented code.
- Gained experience in object-oriented programming and collaborated with team members. Jan 2023

e-SOFT IT SOLUTIONS

Web Development

- Built and maintained responsive websites using HTML, CSS, JavaScript.
- Gained hands-on experience in responsive design, web performance optimization, and cross-browser compatibility. Jun 2023
